Career Objective

Enthusiastic and fast-learning software developer with training in Android and web development from eMobilis Technology Training Institute. Seeking a part-time internship opportunity in Nairobi to apply my skills in real-world projects and grow professionally within the tech industry.

Skills

- Android Development (Kotlin, Jetpack Compose)
- Web Development (HTML, CSS, JavaScript)
- Firebase Integration
- Git & GitHub
- REST APIs
- UI/UX Design (Basic)
- Fast Typing & Public Speaking

Projects

Booking App (Android)

Built a multi-service booking app with hotel, car rental, taxi, and conference room modules.

Integrated with Firebase for real-time data and authentication.

Red Buffalo Hotel UI (Jetpack Compose)

Designed a professional hotel card layout with image, description, and pricing.

Education

eMobilis Technology Training Institute

Certificate in Full Stack & Mobile App Development (Expected July 2025)
